

C 2015/2012

SECRET

Ministry of Defense
General Staff
Department of Operations

Report on the activities of the Department of Operations for the period from 1 January to 31 December 2012.

The Department of Operations has continued to work in close cooperation with the Ministry of Defense and the General Staff, ensuring the timely and accurate collection, processing, and dissemination of operational information.

Key achievements include the successful completion of several major operational tasks, the implementation of new procedures for information management, and the strengthening of cooperation with partner organizations.

The Department has also focused on improving its internal control systems and ensuring the highest standards of security and confidentiality in all its activities.

Looking ahead, the Department is committed to further enhancing its operational capabilities and maintaining its role as a key element of the Ministry of Defense's operational structure.

The Department's activities will continue to be guided by the principles of transparency, accountability, and efficiency, ensuring the best possible service to the Ministry of Defense.
